"Dear Liz thanks for the make- up brochures which arrived a few weeks Ago. I must say I have enjoyed make up much more since your tuition and use it with more confidence. Kind regards and thanks Lynn"

"I am a person who hardly ever wears make-up or likes my photo taken. Liz did my make-up when I was a bridesmaid for my brothers wedding, and afterwards I felt so good about myself that I was happy to pose for every photo. She made me comfortable and at ease while she was doing it, and she was able to create a look that I was thrilled with, even though she had never met me before. I liked her so much that now that I am the bride I've asked her to do the make-up for my wedding."

"Hi Liz, the spray tan was fantastic. About day two it felt like apart of me and I really enjoyed showing off a bit of skin. Thank you for the care and time you spent on me."

PLUS...

Hi Liz, I just wanted to send you a quick note to thank you for putting me on to Jane Iredale mineral foundation. I love it, its beautiful stuff and I'm convinced it stops me from getting pimples. No more special cleansing products or expensive silicea calcium capsules. Thanks again!

"I have been a regular user of spray on tanning and visited Liz @ Harris Creations late last month for the first time. Being fair, I went for the darkest colour and I was very happy with the end result. The colour was very even and there were no patches at all. My tan stayed on for a good 2 weeks and I would highly recommend Liz to anyone who wants to try spray on tanning."

Dear Liz

My husband and I would like to send a big thank you to both yourself and Jackie for helping to make our wedding day such a nice day.

You both helped me feel really good about myself and happy to be photographed which has never happened before, I would normally be hiding away from the camera.

Dear Liz

I want to thank you for making us girls all look gorgeous at our wedding. The makeup was perfect and came out brilliantly in the photos. You were so patient with my lack of makeup knowledge! I also want to thank you for making everyone think we were beautifully brown, and my reluctant-at-first friends loved their tan in the end!!

I will send through some photos for you to check out.

Many Thanks,

Melita and Jared Bond, Brighton

I was so happy with the make up you completed for my bridesmaid's and I on the 18/03/06. Your service both before and during the event was fantastic, everyone commented on how great our make up was and the make up felt great. I would really like to come and have my beauty stuff done with you from now on.
